Think Minto First Gift Card Program Launched Dec 2022.

Fundraising \$21,000 and keeping dollars local!

"The Harriston Horticultural Society has run 10 very successful Think Minto First fundraising programs, which has given our organization much needed funds to continue to beautify the community. Unlike some other fundraisers we have tried, the gift certificates were easy to sell because there was a range of businesses participating and people want to support our fundraising efforts! I would highly recommend this program for groups and organizations looking for a creative way to raise funds while keeping support in our community."

Sue Bridge, Harriston Horticultural Society

"There is an incredible amount of support for entrepreneurs here in Minto thanks to the team at Launchit Minto and the Minto Chamber Of Commerce. I was offered so much guidance and support to help me navigate through one of the most challenging endeavours I have ever faced. I am humbled to know there are people who want to see me succeed and care so much about the future of our community. The most important thing I have learned through this experience as a young person and entrepreneur is that I can feel confident and excited about the future here in Minto."

VOLUNTEER SUPPORT

"Volunteers do not necessarily have the time, they just have the heart."

Volunteers are the heart of our community and in the Town of Minto, we couldn't be prouder of the amazing individuals who offer their time, skills, and energy to make our community a vibrant and welcoming place to live. To show our gratitude and support, we prioritize collaborating with and appreciating our volunteers every step of the way. Our dedicated volunteers truly make Minto feel like a place to call home!

Volunteer Spotlights

- Celebrated 9 volunteers from various committees with social media shout-outs!

Volunteer Portal

- Provided support for volunteer organizations to post available positions on the Town of Minto volunteer portal.

Collaborations

- Partnerships with the Clifford Horticultural Society & Harriston Horticultural Society to celebrate the Year of the Garden
- Collabs with Kinettes, Palmerston Scouts, and Optimists to attend and fundraise at various Minto events as Food Booths
- Collaborations with three downtown committees and various community groups, such as Clifford Rotary, Minto Fire, Palmerston Lions, Harriston Kinsmen, Harriston Masons and many more to amplify summer & winter events.

For me, the best part [of volunteering on All Aboard Palmerston] is the satisfaction of being a champion for the Town that I have called home since 1985. I have always felt and believed that Palmerston is a great place to live and do business, so to be able to be part of a committee to promote our Town is pretty satisfying." ~ All Aboard Palmerston Steering Committee Chair, Terry Cormack.

PRESENTATION

- Promoting Entrepreneurship and Stimulating Renewal in Small Towns - U of Waterloo Masters in Economic Development and Innovation Program

"We decided to walk away from our prior business in the restaurant industry and open up another business in the health & wellness industry. This all happened within months and because of the Town offering up resources and connected us with their network of professionals, we managed to close up and start anew with ease. We are proof that this community rallies behind you and makes sure you are set up for success!"
