Camp is run on a first-come, first-serve basis. It is required that registration is done prior to the Summer Day Camp. Online registration can be found on our website under the Child Care tab.

How old must my child be to attend camp?

Your child must be no younger than in their 4th year, and no older than in their 11th year. If your child receives the support of an educational assistant in school, one-on-one care is required at camp. The Town of Minto Summer Day Camp has an Inclusion Leaders, which can be utilized.

What time do I drop my child off?

Regular camp hours are 9am-4pm. However, we offer flexible drop off between 7:30am – 9:00am and pick up between 4:00pm – 5:15pm at no additional fee.

Where do I drop my child off?

Two locations are available for your child. You may register your child for either the Palmerston or Harriston Summer Day Camp. Both Camps are at the Arena. A sign-in, sign-out policy is in effect at camp. The person dropping the child off or picking them up must provide their name and be preapproved to do so.

What if I am late to pick up my child?

If you are going to be late (past 5:15pm), please call the Town of Minto office before 5pm at 519.338.2511 ext 243. A late fee may be applied.

What if my child is going to be absent?

If you have signed your child up to be at camp and they are going to be absent, please let us know by calling the Town of Minto at 519.338.2511 ext 243 or emailing: childcare@town.minto.on.ca. We take attendance daily and will call home if a child is absent. You may still be responsible for paying for camp the day of the absence if adequate notice was not given.

What if someone else is picking up my child?

Please provide us with a note if someone who is not a parent or caregiver of the child is picking them up from camp. This note should include the name of the person who is picking the child up, the date and your signature signifying your permission. If someone comes to pick up your child without prior written consent, the Camp Site Leader will contact you for verbal permission prior to releasing your child.

Your child's safety is very important to us. An authorized parent or caregiver must pick up their children from camp. Written permission from a parent or caregiver is required to allow a child to leave camp alone.

What if I need to pick up my child during the camp day?

Call the Town of Minto at 519.338.2511 ext 243 to plan to meet your child's group at the designated meeting area. It is best to make arrangements ahead of time, as your child may be away from the main site in an activity and it may take some time for the camp to walk back and meet you. On the camp door will be a "You can find us at..." sign as well.

What if my child becomes ill at camp?

In the event your child becomes ill at camp, we will contact you to come and pick them up at the camp site. If your child is too ill to participate fully in all aspects of the program, please keep them home from camp. When a child is feeling poorly the last place they want to be is on a bus, outdoors in the heat, or around their friends who are busy having a good time.

What should I send my child for lunch?

Your child will be very active at camp- swimming, playing games, sports, walking, etc. Children need healthy lunches, snacks, and a water bottle to fuel this high activity level. Therefore, greater quantities of food may be required than on a typical school day. When you pack your child's lunch, please keep in mind their lunch will not be refrigerated, but there are microwaves available to use with the help of staff.

We strive to be a nut-free program.

What should my child wear to camp?

Please dress your child each day in:

- Washable clothes that you don't mind possibly getting stained

The best way to ensure protection from the sun is to wear sunscreen. Please send sunscreen that is labeled with your child's name to camp. We will prompt children to put on

What happens during unpleasant weather?

On rainy days, children will participate in indoor activities and we may or may not go swimming, depending on the severity of the weather. During extreme heat or smog conditions, our program is adjusted to include activities that require less exertion and are conducted indoors or shaded areas. Campers are reminded to drink plenty of water throughout each day.

When will my child swim?

We walk to the public swimming pool each day for a 45 min private swim. Depending on the site, times may vary between 12:00 – 2:00 pm (weather permitting). Please pack a bathing suit and towel each day. We ask that all children 6 and under bring their own Lifejackets. The pool does have lifejackets available but there are limited numbers. Staff will then be in the pool with the children and the pools are guarded. Children must pass a swim test conducted by the lifeguard to swim in the deep end of the pool.

What if my child needs medication at camp?

Please fill out a medication form on EPACT prior to your child attending camp. All medications need to be in the original container with your child's name and date of prescription. If the medication is for emergency use (ex. Inhaler or epi-pen), please send it in a waist pack so that it can be carried with your child.

What if my child loses something at camp?

Please do not send valuable items to camp (money or electronics). To help ensure that your child's belongings return at the end of the day, please label your child's items. Any found items at the end of the day will be collected and placed in the lost-and-found box at the camp site. You can look through this box at any time and claim your child's items. Items are held until the end of the summer, at which point unclaimed items are donated to children in need. The Town of Minto is not responsible for lost or stolen articles.
