

The Corporation of the Town of Minto
Request for Tender
Sanitary Sewer CIPP Rehabilitation Program
Tender # 2026-003

Sealed bids, on forms supplied by the Clerk, will be received by the Town of Minto at:

5941 Highway 89, Harriston, Ontario, N0G 1Z0
or submitted electronically to annilene@town.minto.on.ca

until:

10:00 am October 2nd, 2026*

The Corporation of the Town of Minto invites sealed/electronic tenders from qualified contractors for the rehabilitation of existing municipal sanitary sewers using cured-in-place pipe (CIPP) technology. The anticipated work consists primarily of full-length mainline CIPP lining of gravity sanitary sewers generally ranging from 200 mm to 400 mm diameter, together with associated cleaning, CCTV inspection, flow control, service reconnection, testing, restoration and incidental work.

A digital copy of the Bid Documents may be obtained, free of charge, from the Town Clerk by contacting:

Annilene McRobb, CMO, Dipl. M.M.
Director of Legislative Services/Clerk
T: 519.338.2511 x 230
E: annilene@town.minto.on.ca

Technical questions surrounding the tender can be directed to the Wastewater Services Manager:

Mark Robertson
T: 519-292-1374
