Municipal Drain 19 is located at Lots 28 to 32, Concessions 9 and 10, and parts of Lots 80 and 81, Concession D in the Town of Minto, Wellington County.

The work includes, but is not limited to, the following:

- Reconstruction of approximately **564 m of open municipal drain**, from the outlet at Drain No. 1 southerly through adjacent lands
- Replacement and extension of approximately **1,843 m of closed drain (tile system)** extending easterly through multiple properties and road allowances
- Construction of a new branch drain (11th Line Branch) consisting of approximately **109 m of closed drain**, including a road crossing at 11th Line
- Associated works including excavation, pipe installation, structures, restoration, and other miscellaneous works as specified in the Contract Documents

Please note: This tender is being issued prior to the final passing of the by-law under the Drainage Act. Award of the contract is conditional upon the by-law receiving third reading by Council of the Town of Minto and the resolution of all appeals.

The Owner reserves the right to delay the award of the contract, modify the scope of work, or cancel the tender entirely should the by-law not be passed, be appealed, or be amended through the appeal process. No claim shall be made against the Owner as a result of such delay, modification, or cancellation.

A tender deposit in the form of a certified cheque or bid bond in the amount equal to **10% of the tender price, including applicable taxes**, will be required with submission of the tender.

In addition to other provisions in the Contract Documents, the lowest or any tender will not necessarily be accepted.
